16th October 2026

Dear Parent/Carer,

Maths Inspiration – Thursday 12th November 2026

We are pleased to be able to offer your daughter the opportunity to participate in the educational visit outlined overleaf.

The day will involve a number of mathematical talks with the intention of broadening their understanding of how mathematics applies to everyday situations and future careers. It promises to be an exciting, interactive and worthwhile event. We will be travelling to the event on the Metrolink from Altrincham, so your child will also need money for the tram. We will leave school at 11:30 in order to make it into Manchester in good time for the event to start at 13:20, so your daughter will need to bring a nut-free packed lunch and any necessary medication with her on the day. Your daughter must make her own way home at the end of the day, as the event finishes at 15:50. Students will be expected to be in full dress code and catch up on any lessons missed.

Places are limited to 30 students. Should we have more students wishing to take part than can be accommodated, names will be selected at random, you will be informed of the outcome of this selection and if unsuccessful, any monies paid will be returned. We do understand that if a random selection is required, students will be disappointed. However, we always ensure that we accommodate the maximum number of students that is safe to take. If you feel that your daughter will struggle to cope with the disappointment of not being selected, please consider if submitting consent is the right thing to do.

In compliance with the Education Act of 1996 all curriculum-based visits during school time are funded on a voluntary contribution basis. No student will be excluded from the activity or treated differently because they do not make a contribution, however if voluntary contributions are not sufficient then it may be that the planned activity or trip cannot go ahead. By giving consent for your child to attend this trip we will assume that the full amount of the voluntary contribution will be made, unless we hear from you to the contrary.

We do expect high standards of behaviour from students both when they are in School and when they are taking part in trips and activities. Please be aware that if your daughter's behaviour does not meet these expectations, her place on the trip or activity may be at risk.

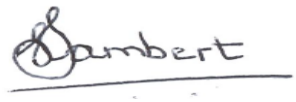

Loreto Grammar School, a Limited Company incorporated in England and Wales. Registered number 08125396.
Registered office as above. An exempt charity.

Consent must be given, and payment made via the school's online payment system **Scopay**. It is imperative that consent is given by Thursday 22nd October. If we do not receive consent by this date your daughter will not be able to attend the trip. If you need any assistance accessing your online account, please contact our Finance department.

If your child is eligible for the 16-19 Bursary and you would like support with the cost of this trip, please contact the Finance Department.

If you have any queries regarding the specific trip details, please contact me at School.

Yours faithfully,

Mrs Lambert
Teacher of Mathematics, KS5 Mathematics Co-Ordinator, and Trip Leader

Trip Details

Visit Name and Location
Maths Inspiration
Royal Northern College of Music, M13 9RD
